GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

Notification dated 18th May 1938.

JOG FALLS PROJECT—TRANSMISSION AND TELEPHONE LINES—CARTING.

Sealed tenders superscribed as "Tender for carting Jog Falls Transmission and Telephone Lines materials" will be received in the office of the Chief Electrical Engineer, up to 2 P.M. of the 13th June 1938, for conveying materials required in connection with the construction of the Jog Falls Transmission and Telephone Lines.

The materials will have to be carted from any or all of the following places to different work-spots along the abovementioned lines or from the aforesaid different work-spots to the following places:—

(*a*) Electrical Department Stores at the Mysore Iron and Steel Works, Bhadravathi.
(*b*) Electrical Department Stores at Shimoga.
(*c*) Electrical Department Stores at Sagar.
(*d*) Bhadravati Railway Station.
(*e*) Anandapuram Railway Station.
(*f*) Sagar Railway Station.

Each tender shall be accompanied with a deposit of Rs. 200, without which the tenders cannot be considered.

The rates to be tendered shall be in the following form and should be entered in words as well as in figures:—

No.	Details	Unit	Rate per mile	
			By Road	Cross-country
1	Angle iron and other steel structural materials ..	1,500 lbs. ..		
2	S. M. rails 24' long and 41 lbs., section ..	Cart of 5 rails ..		
3	Suspension insulators in crates of 6 units each ..	18 crates ..		
4	All other materials such as conductors, ground wire, guy wire, bolts and nuts, rail clamps, distribution insulators, turn buckles, tools and plant and other miscellaneous materials ..	1,500 lbs. ..		

The Chief Electrical Engineer is at liberty to accept one or more tenders as he deems fit and reserves the right to reject any or all the tenders without assigning any reasons therefor. He is also at liberty to order the transport of materials by the Departmental Lorries, hand-carts, or by head-loads and the contractor cannot claim any compensation on that account.

On receipt of communication of the acceptance of tender, the tenderer will be required to deposit a further sum of Rs. 300 as earnest money repayable after satisfactory and complete execution of the contract and to sign an agreement with the Department to guarantee satisfactory execution of the contract.

When once a tender is accepted, the accepted rates cannot be enhanced on any account. The contractor may use either country carts or lorries for the conveyance of the materials, but he will be paid only on the unit basis referred to above.

The successful tenderer shall be prepared to commence the execution of the contract as soon as an agreement has been entered into by him. The conveyance of the materials should be done in an expeditious manner as and when required by the Superintendent of Transmission Lines or his authorised representatives so as not to inconvenience or delay in any manner the construction of the above lines.

The accepted tenderer shall arrange to have one of his representatives in each of the places mentioned above to take instructions regarding the items of materials to be carted and shall arrange to convey the materials as and when required within not more than 24 hours of notice in that behalf. In case of failure to do so, the Department reserves the right to make its own arrangements for conveying the materials and any extra cost incurred by the Department on that account will be recovered from the contractor.

The contract will be liable to be terminated at the discretion of the Chief Electrical Engineer, if the conditions of the contract are not fully complied with and the earnest money deposited will be forfeited to Government.

In all cases of dispute, the decision of the Chief Electrical Engineer will be final.

S. G. FORBES,
Chief Electrical Engineer.
